

# WINE LIST

## French Red Wines

175ml / 250ml / Bottle

### Michel Servin

5.20 / 7.20 / 21.50

Our house wine from the South of France is soft, full of fruit bursting with flavour, with a muscular texture. Been down the gym lately?

VEGAN

### Cotes du Rhone

6.20 / 8.60 / 25.50

(Grenache, Syrah) The old tunes are always the best, this is "red, red wine" from the Rhone Valley.

VEGAN

### Baron de Baussac

6.50 / 9.20 / 26.50

(Carignan) A really tasty single variety wine from Languedoc - characteristically colourful and spicy. Acidity is quite fresh, making this really suitable for rich food.

VEGAN

### Beaute du Sud

6.90 / 9.60 / 28.50

(Malbec) The South of France is the ancestral home of the Malbec grape. Here's a great example of one that competes with the Argentinians.

VEGAN

### Saint Desir

£28.90

(Pinot Noir) Showing violets and sweet red berries on the nose, the palate is light, velvety and intricate, with integrated toasted notes.

### Les Hauts de Castlemare Corbières

£30.90

(Grenache, Syrah & Carignan) Ripe damson jam & cassis with the aroma of heather & wild thyme. Great stuff from the South of France.

### Organic Fleurie, Domaine Pardon, Cote des Labourons

£32.50

(Gamay) Flowery & fragrant, packed with cherry fruit. A very attractive wine in a flowing silk dress.

### St-Emilion Grand Cru, Château Grand Faurie La Rose

£42.50

(Merlot, Cabernet France) This wine is like that elegant friend who studied abroad and now has an accent you can't quite place. Sophisticated & worldly. Sip with caution; you might just start saying 'oh là là' unironically.

### Châteauneuf du Pape, Reserve des Dentelles

£49.50

(Grenache, Syrah, Mourvedre) Warm, spicy, smooth and intensely complex. Like the person sitting opposite?

## French White

175ml / 250ml / Bottle

### Michel Servin

5.20 / 7.20 / 21.50

Our House Wine is not to be sniffed at. In fact it's perfect for drinking.

VEGAN

### Sauvignon Blanc, Eclat de Mer

6.40 / 8.90 / 24.50

Tropical fruit meets white flower meadow. It's like a beach holiday and a picnic in the park, all in a bottle.

### Muscadet, Oliver Dubois

6.70 / 9.20 / 26.50

(Melon de Bourgogne) Famously lean, green and perfect with seafood. With zesty, palate-tingling citrus flavours and bracing acidity that'll go down a treat with oysters, mussels and other 'fruits de mer'.

VEGAN

### Picpoul de Pinet, Ormarine Sea Pearl

6.90 / 9.50 / 28.50

Young, lively & zesty in character from the deep in the South of France. If you enjoy Pinot or Sauvignon you'll love this.

VEGAN

### Vioignier Baron de Baussac

7.10 / 9.90 / 28.90

From the Minervois in Languedoc, a fresh crisp dry wine. Packed with flavours of apricot, peach and elderflower with an undertone of pineapple.

### Flories Macon Village, Cave de Lugny

£30.50

(Chardonnay) Fresh, elegant & perfectly balanced tones of fruit and the richness of roasted nuts. Just like a fruit & nut bar, but no chocolate.

VEGAN

### Sancerre, Blanc Duc Armand

£42.50

(Sauvignon Blanc) From the village of Sancerre in the Loire Valley. Many attempt to match the refined quality of wine from here, few achieve it.

### Chablis Premier Cru, Moillard-Thomas

£51.50

If wines had a VIP lounge, this Chablis would be in there, lounging on a chaise, with little grapes fanning it. Sophisticated, with a price tag that says 'I've seen things you people wouldn't believe' - but in French, because, well, Chablis.

Occasionally we have to substitute some of our wines on this list with wines from other growers. We promise that the quality will always be superb. If requested, we can serve our House Wines by 125ml measures
